Join us for a fascinating tour with Schnitzer Steel (SFBA NTMA Associate Member) at their Oakland yard! The walking tour is largely outside, so be sure to wear closed-toe shoes! It promises to be an enlightening experience for SFFA NTMA members!

Ever wonder what really happens behind the scenes at a recycling facility? This unique opportunity will give you an insider's look at the recycling process. You'll see first-hand how Schnitzer Steel transforms scrap metal into valuable resources.

Limited Capacity - 8 People Per Tour. Register Today!
